OUR PHILOSOPHY

The purpose of Claymont Preschool at St. Mark is to provide a safe, nurturing, stimulating environment in which children may grow emotionally, intellectually, and physically at their own developmental rates.

GOALS

- To respect and address each child's developmental needs, abilities, and experience.
- To develop positive feelings of self-worth.
- To encourage children to express their needs in appropriate ways.
- To teach children to get along with other children, by leading, following, and accepting differences.
- To enable children and enjoy other adults.
- To develop gross and fine motor skills.
- To help children make good choices, explore, question, and use their imagination.
- To development an enjoyment of books, music, and the outside world.
- To work with parents to guide children through these important early years.

CHILD GUIDANCE PHILOSOPHY/BEHAVIOR MANAGEMENT

Our preschool's philosophy of discipline is based on setting reasonable limits and consequences, and encouraging self-discipline. Staff respond promptly and in developmentally appropriate ways to children. All staff work to foster children's emotional wellbeing by demonstrating respect for others and creating a positive emotional climate that is reflected in behaviors such as social conversations, joint laughter, and genuine caring. Pro-social behaviors are promoted through modeling, teaching negotiation through shared materials, encouraging listening to one another, and encouraging the help of children in providing comfort should a classmate be sad.

Limits of the classroom are set by the teachers to ensure the safety of children. No child may hurt another child, and our staff strives to prevent such from happening. Children are encouraged to resolve differences verbally. Teachers attempt to redirect activity or mediate when necessary to protect children from aggressive behavior. If inappropriate behavior continues, logical consequences may follow so children will learn the effect of their actions. The school will work with parents to explore alternate methods of reinforcing acceptable behavior which will improve a child's ability to function successfully in a group. Corporal punishment is never acceptable. Parents are free to visit the classroom at any time. If a child cannot adjust to preschool within a reasonable length of time, it may be necessary to have the student withdrawn.
