EQUAL EXCHANGE / FAIRLY TRADED IN THE NARTHEX – NEW PRODUCTS!!! OCTOBER 16

Most teas—even those that are certified as fair trade—come from large plantations where workers have no voice or power. The small farmers who grow our tea control their own land and livelihoods. Join us in building a farmer led future for the tea industry. St. Mark supports this mission to build long-term trade partnerships that are economically just and environmentally sustainable, and to foster mutually beneficial relationships between small farmers and consumers (that's us!). *Credit and Debit cards accepted.*

New and gently used clean winter coats and clothing are needed for men, women, and kids, all sizes, and styles.

Many people in our

region lack enough warm clothing to stay protected throughout winter. Our mission partners will ensure someone in need receives your gift of warmth!
