ONE GREAT HOUR OF SHARING

Disaster Assistance

Disaster Assistance covers more than hurricanes and earthquakes, although there is a lot of work to be done there. Currently PDA is on the ground in areas of Syria/Turkey following the earthquakes. There is also involvement with refugees—housing and food—following the invasion of Ukraine. They work closely with local organizations to meet the needs of the local people.

PDA's specialty is long-term response, and its partner ministries in the Presbyterian Mission Agency and the Office of the General Assembly are part of a broad, sustained response, as well as advocacy offices in Washington and at the United Nations and [Presbyterian World Mission](#).

PER CAPITA 2023

In 2023 each congregation's Per Capita fee, based on the membership reported as of December 31, 2021, is \$35.00. St. Mark's total commitment is \$17,360. Members are encouraged to assist with that via an extra donation and the balance comes from the General Fund. A designated envelope is in the April packet.

HOLIDAY CLOSURE

The church office will be closed on Monday, April 10, in observance of Easter.

Join us on Good Friday April 7th between the hours of 11 am and 7 pm for a spiritual self-guided journey through an ecumenical version of the stations of the cross.

Upon arrival you will be greeted by someone who will provide you with a map and instructions. This journey is a time for each one of us to connect with God in a special way as we contemplate the last hours of Jesus earthly life. We can then examine how those contemplations speak to our own spiritual life in Christ Jesus. For more information, contact Pastor MP.

MEMBERSHIP EXPLORATION CLASSES

This is an exciting time in the life and ministry of St. Mark. We encourage all of our guests to learn more about the Christian faith, the Reformed Tradition, and our Presbyterian Church.

Pastor Dave will facilitate a three-week Member Exploration Class beginning on Sunday, April 23 from 8:50 to 9:45 in Room 102. The other classes are Sunday, April 29 and May 7.

We are thankful that you have discovered St. Mark, and we believe now is the time to explore the mission and ministry of our congregation.

Please contact the St. Mark office or Pastor Dave for more information.

Weekly Questions and Thoughts

Chapter Fourteen:

- There is a pall hanging over this week's chapter as the text moves from allusions to Jesus' death to narrating his last moments before the cross. Is it more difficult to read this chapter than the others in Mark's gospel? Why or why not?
- The chapter begins with the well-known story of an unnamed woman anointing Jesus with costly perfume. Her extravagant actions show her love, devotion, and appreciation. Why do you think this story is included here? What can we learn about the woman, Jesus, and the negative reaction from others?
- Jesus has the Last Supper with his disciples. How does this account differ from the more familiar account we hear from John 13 on Maundy Thursday? It's worth noting that Jesus sat at table with the one who would betray him (and others who denied and abandoned him.) What does this say about Jesus and his mission?
- Jesus takes his disciples to Gethsemane to pray. He pleads with them to stay up with him, but they cannot stay awake. The interplay of light and darkness, alertness and sleeping, and good and evil is strong here. Jesus is already feeling alone, and this will only increase as Thursday evening slips into Friday morning. What does this section say to us as we enter Holy Week together?
- The night continues to devolve for Jesus as he is arrested, tried, and denied. There is false testimony presented, but it is not consistent. Jesus' enemies eventually condemn him with their words, their spit, and their fist. It is a horrible scene of injustice. What emotions are stirred in you as you read this part of the story?
- Jesus is condemned by the religious authorities, but he still has to appear before Pilate, the political figure representing the might of Rome. We'll talk more about chapter 15 on Good Friday.

LENT WATER CHALLENGE – CLEAN WATER IS VITAL TO HEALTH

- \$450 builds a well in a rural Sub-Saharan Africa village
 - each well provides a safe, sustainable source of clean drinking water for about 125 men, women, and children
 - every \$1 invested in basic drinking water, an average of nearly \$7 is returned in saved medical costs and increased
- 50% of hospital admissions in Sub-Saharan Africa are because of water-borne disease
 - Sub-Saharan Africa has the highest under-age 5 mortality rate in the world, 15 times higher than in high income countries

Pastor Dave has encouraged his congregations for the past 15 years to drink only clean tap water for the 40 days of Lent and donate the money not spent on other beverages to support the building of clean water wells in Africa. Giving up the morning trip to our favorite coffee spot, or the beverage with our drive through meal, or the evening adult beverage, will help us comprehend how much money we spend on beverages.

We are blessed to have clean water in our community, and this challenge helps us to understand the needs of those who have less, and support groups who are working to provide living water for all God's children.
