

Since we don't have nametags for the brunch, this is our match challenge. The number on each bear is a day of the month. My birthday is the 16th so mbp counts for that day(Koda). How many St. Mark women can you match to their birthdays? The only rule is you have to talk with the person to confirm the information.

1 Teddy Bear \_\_\_\_\_  
named for TR

2 Nanook \_\_\_\_\_  
University of Alaska

3 Smokey Bear \_\_\_\_\_

4 Boof \_\_\_\_\_
